

INTRADISTRICT OPEN ENROLLMENT

The Board of Trustees desires to provide enrollment options that meet the diverse needs and interests of district students and parents/guardians, while also balancing enrollment in order to maximize the efficient use of district facilities. The Superintendent or designee shall establish procedures for the selection and transfer of students among district schools in accordance with law, Board policy, and administrative regulation.

(cf. 5117 - Interdistrict Attendance)

The parents/guardians of any student who resides within district boundaries may apply to enroll their child in any district school, regardless of the location of residence within the district. (Education Code 35160.5)

(cf. 5111.1 - District Residency)

(cf. 5111.12 - Residency Based on Parent/Guardian Employment)

The Board shall annually review this policy. (Education Code 35160.5, 48980)

Enrollment Priorities

No student currently residing within a school's attendance area shall be displaced by another student transferring from outside the attendance area. (Education Code 35160.5)

(cf. 5116 - School Attendance Boundaries)

The Superintendent or designee shall grant priority to any district student to attend another district school, including a charter school, outside of his/her attendance area as follows:

1. Any student enrolled in a district school that has been identified on the state's Open Enrollment List. (Education Code 48354)

(cf. 5118 - Open Enrollment Act Transfers)

2. Any student enrolled in a district school receiving Title I funds that has been identified for program improvement (PI), corrective action, or restructuring. (20 USC 6316)

(cf. 0420.4 - Charter Schools)

(cf. 0520.2 - Title I Program Improvement Schools)

(cf. 6171 - Title I Programs)

3. Any student enrolled in a district school designated by the California Department of Education as "persistently dangerous." (20 USC 7912; 5 CCR 11992)

(cf. 0450 - Comprehensive Safety Plan)

INTRADISTRICT OPEN ENROLLMENT (continued)

4. Any student who is a victim of a violent crime while on school grounds. (20 USC 7912)
5. Upon a finding that special circumstances exist that might be harmful or dangerous to the student in the current attendance area. Special circumstances, include, but are not limited to, threats of bodily harm or threats to the emotional stability of the student. Any such student may transfer to a district school that is at capacity and otherwise closed to transfers.

To grant priority under these circumstances, the Superintendent or designee must have received either: (Education Code 35160.5)

- a. A written statement from a representative of an appropriate state or local agency, such as a law enforcement official, social worker, or a properly licensed or registered professional, such as a psychiatrist, psychologist, or marriage and family therapist
 - b. A court order, including a temporary restraining order and injunction
6. Any sibling of a student already in attendance in that school.
 7. Any student whose parent/guardian is assigned to that school as his/her primary place of employment.

Application and Selection Process

In order to ensure that priorities for enrollment in district schools are implemented in accordance with law, applications for intradistrict open before March 15 of the school year preceding the school year for which the transfer is requested.

The Superintendent or designee shall calculate each school's capacity in a nonarbitrary manner using student enrollment and available space. (Education Code 35160.5)

Except for priorities listed above, the Superintendent or designee shall use a random, unbiased selection process to determine who shall be admitted whenever the school receives admission requests that are in excess of the school's capacity. (Education Code 35160.5)

Enrollment decisions shall not be based on a student's academic or athletic performance, except that existing entrance criteria for specialized schools or programs may be used provided that the criteria are uniformly applied to all applicants. Academic performance may be used to determine eligibility for, or placement in, programs for gifted and talented students. (Education Code 35160.5)

INTRADISTRICT OPEN ENROLLMENT (continued)

(cf. 6172 - Gifted and Talented Student Program)

Transportation

Except as required by 20 USC 6316 for transfers out of Title I PI schools, the district shall not be obligated to provide transportation for students who attend school outside their attendance area.

INTRADISTRICT OPEN ENROLLMENT**Transfers for Victims of a Violent Criminal Offense**

Within a reasonable amount of time, not to exceed 14 days, after it has been determined that a student has been the victim of a violent criminal offense while on school grounds, the student's parents/guardians shall be offered an option to transfer their child to an eligible school identified by the Superintendent or designee. In making the determination that a student has been a victim of a violent criminal offense, the Superintendent or designee shall consider the specific circumstances of the incident and consult with local law enforcement as appropriate. Examples of violent criminal offenses include, but are not limited to, attempted murder, battery with serious bodily injury, assault with a deadly weapon, rape, sexual battery, robbery, extortion, or hate crimes.

The Superintendent or designee shall consider the needs and preferences of the affected student and his/her parent/guardian in making the offer. If the parent/guardian elects to transfer his/her child, the transfer shall be completed as soon as practicable.

Transfers from a "Persistently Dangerous" School

Upon receipt of notification from the California Department of Education (CDE) that a district school has been designated as "persistently dangerous," the Superintendent or designee shall provide parents/guardians of students attending the school with the following notifications:

1. Within 10 days of receipt of the notification from CDE, notice of the school's designation
2. Within 20 days of receipt of the notification from CDE, notice of the option to transfer their child

(cf. 0450 - Comprehensive Safety Plan)

Parents/guardians who desire to transfer their child out of a "persistently dangerous" school shall provide a written request to the Superintendent or designee and shall rank-order their preferences from among all schools identified by the Superintendent or designee as eligible to receive transfer students. The Superintendent or designee may establish a reasonable timeline, not to exceed seven school days, for the submission of parent/guardian requests.

The Superintendent or designee shall consider the needs and preferences of students and parents/guardians before making an assignment, but is not obligated to accept the parent/guardian's preference if the assignment is not feasible due to space constraints or other considerations. For students whose parents/guardians accept the offer, the transfer shall generally be made within 30 school days of receiving the notice of the school's designation from the CDE. If parents/guardians decline the assigned school, the student may remain in his/her current school.

INTRADISTRICT OPEN ENROLLMENT (continued)

The transfer shall remain in effect as long as the student's school of origin is identified as "persistently dangerous." The Superintendent or designee may choose to make the transfer permanent based on the educational needs of the student, parent/guardian preferences, and other factors affecting the student's ability to succeed if returned to the school of origin.

The Superintendent or designee shall cooperate with neighboring districts to develop an interdistrict transfer program in the event that space is not available in a district school.

(cf. 5117 - Interdistrict Attendance)

Other Intradistrict Open Enrollment

Except for transfers for victims of a violent crime and from a "persistently dangerous school," the following procedures shall apply to intradistrict open enrollment:

1. The Superintendent or designee shall identify those schools which may have space available for additional students. A list of those schools and open enrollment applications shall be available at each school site, the district office, and on the district's web site.
2. After the enrollment priorities have been applied in accordance with Board policy, if there are more requests for a particular school than there are spaces available, a random drawing shall be held from the applicant pool. A waiting list shall be established to indicate the order in which applicants may be accepted if openings occur during the year. Late applicants shall not be added to the waiting list for the current year but shall instead wait for a subsequent lottery.
3. The Superintendent or designee shall provide written notification to applicants as to whether their applications have been approved, denied, or placed on a waiting list. If the application is denied, the reasons for denial shall be stated.
4. Approved applicants must confirm their enrollment within 10 school days.

Once enrolled, a student shall not be required to reapply for readmission. However, the student may be subject to displacement due to excessive enrollment.

Any complaints regarding the open enrollment process shall be submitted in accordance with the applicable complaint procedure.

(cf. 1312.3 - Uniform Complaint Procedures)

INTRADISTRICT OPEN ENROLLMENT (continued)

Notifications

Notifications shall be sent to parents/guardians at the beginning of each school year describing all current statutory attendance options and local attendance options available in the district. Such notification shall include: (Education Code 35160.5, 48980)

1. All options for meeting residency requirements for school attendance

(cf. 5111.1 - District Residency)

(cf. 5111.12 - Residency Based on Parent/Guardian Employment)

(cf. 5118 - Open Enrollment Act Transfers)

2. Program options offered within local attendance areas
3. A description of any special program options available on both an interdistrict and intradistrict basis
4. A description of the procedure for application for alternative attendance areas or programs and the appeals process available, if any, when a change of attendance is denied
5. A district application form for requesting a change of attendance
6. The explanation of attendance options under California law as provided by the CDE

(cf. 5145.6 - Parental Notifications)

INTERDISTRICT ATTENDANCE

The Board of Trustees recognizes that parents/guardians of students who reside in one district may, for a variety of reasons, choose to enroll their child in a school in another district.

(cf. 0520.3 - Title I Program Improvement Districts)
(cf. 5111.12 - Residency Based on Parent/Guardian Employment)
(cf. 5116.1 - Intradistrict Open Enrollment)
(cf. 5118 - Open Enrollment Act Transfers)

Interdistrict Attendance Permits

The Board may enter into an agreement with any other school district, for a term not to exceed one school year, for the interdistrict attendance of students who are residents of the districts. (Education Code 46600)

The agreement shall specify the terms and conditions under which interdistrict attendance shall be permitted or denied. It also may contain standards agreed to by both districts for reapplication and/or revocation of the student's permit. (Education Code 46600)

Upon receiving a permit for transfer into the district that has been approved by the student's district of residence, or upon receiving a written request from the parent/guardian of a district student who wishes to enroll in another district, the Superintendent or designee shall review the request and may approve or deny the permit subject to the terms and conditions of the interdistrict attendance agreement.

Transportation

The district shall not provide transportation beyond any school attendance area.

Limits on Student Transfers Out of the District to a School District of Choice

The Superintendent or designee may limit the number of student transfers out of the district to a school district of choice based on the percentages of average daily attendance specified in Education Code 48307.

In addition, transfers out of the district may be limited during a fiscal year when the County Superintendent of Schools has given the district a negative budget certification or when the

County Superintendent has determined that the district will not meet the state's standards and criteria for fiscal stability in the subsequent fiscal year exclusively as a result of student transfers from this district to a school district of choice. (Education Code 48307)

(cf. 3100 - Budget)
(cf. 3460 - Financial Reports and Accountability)

INTERDISTRICT ATTENDANCE (continued)

The district may deny a transfer of a student out of the district to a school district of choice if the Board determines that the transfer would negatively impact a court-ordered or voluntary desegregation plan of the district. (Education Code 48301)

INTERDISTRICT ATTENDANCE

Interdistrict Attendance Permits

In accordance with an agreement between the Board of Trustees and the board of another district, a permit authorizing a student's attendance outside his/her district of residence may be issued upon approval of both the district of residence and the district of proposed attendance.

The Superintendent or designee may approve an interdistrict attendance permit for a student for any of the following reasons when stipulated in the agreement:

1. When the student has been determined by staff of either the district of residence or district of proposed attendance to be a victim of an act of bullying as defined in Education Code 48900(r). Such a student shall be given priority for interdistrict attendance under any existing interdistrict attendance agreement or, in the absence of an agreement, shall be given consideration for the creation of a new permit. (Education Code 46600)

(cf. 5131.2 - Bullying)

2. To meet the child care needs of the student. Such a student may be allowed to continue to attend district schools only as long as he/she continues to use a child care provider within district boundaries.
3. To meet the student's special mental or physical health needs as certified by a physician, school psychologist, or other appropriate school personnel.

(cf. 6159 - Individualized Education Program)

4. When the student has a sibling attending school in the receiving district, to avoid splitting the family's attendance.
5. To allow the student to complete a school year when his/her parents/guardians have moved out of the district during that year.
6. To allow the student to remain with a class graduating that year from an elementary, middle, or senior high school.
7. To allow a high school senior to attend the same school he/she attended as a junior, even if his/her family moved out of the district during the junior year.
8. When the parent/guardian provides written evidence that the family will be moving into the district in the immediate future and would like the student to start the year in the district.

INTERDISTRICT ATTENDANCE (continued)

9. When the student will be living out of the district for one year or less.
10. When recommended by the school attendance review board or by county child welfare, probation, or social service agency staff in documented cases of serious home or community problems which make it inadvisable for the student to attend the school of residence.

(cf. 5113.1 - Chronic Absence and Truancy)

11. When there is valid interest in a particular educational program not offered in the district of residence.
12. To provide a change in school environment for reasons of personal and social adjustment.
13. An interdistrict transfer permit may be granted if the student's parent/legal guardian resides in the "Gray Area", (Halsey Tract). Street Listing of Gray Area (Donald Avenue, Halsey Avenue, Lark Street to 150th Street (no numbers over 14999), Patton Avenue, Peters Street, Portofino Circle, and Rake Court.)

The Superintendent or designee may deny initial requests for interdistrict attendance permits due to limited district resources, overcrowding of school facilities at the relevant grade level, or other considerations that are not arbitrary. However, once a student is admitted, the district may not deny him/her continued attendance because of overcrowded facilities at the relevant grade level.

(cf. 0410 - Nondiscrimination in District Programs and Activities)

Within 30 days of a request for an interdistrict permit, the Superintendent or designee shall notify the parents/guardians of a student who is denied interdistrict attendance regarding the process for appeal to the County Board of Education as specified in Education Code 46601. (Education Code 46601)

(cf. 5145.6 - Parental Notifications)

Pending a decision by the two districts or an appeal by the County Board, the Superintendent or designee may provisionally admit a student who resides in another district for a period not to exceed two school months. (Education Code 46603)

Students who are under consideration for expulsion or who have been expelled may not appeal interdistrict attendance denials or decisions while expulsion proceedings are pending or during the term of the expulsion. (Education Code 46601)

INTERDISTRICT ATTENDANCE (continued)

(cf. 5119 - Students Expelled from Other Districts)
(cf. 5144.1 - Suspension and Expulsion/Due Process)

Once a student is admitted to a school on the basis of an interdistrict attendance permit, he/she shall not be required to reapply for an interdistrict transfer and shall be allowed to continue to attend the school in which he/she is enrolled, unless reapplication standards are otherwise specified in the interdistrict attendance agreement. Existing interdistrict attendance permits shall not be rescinded for students entering grade 11 or 12 in the subsequent school year. (Education Code 46600)
