

Local Control Accountability Plan (LCAP) for SLUSD

PRESENTATION TO BOARD OF EDUCATION, 3/11/14

**Dr. Rosanna Mucetti, Assistant Superintendent of
Educational Services**

**Song Chin-Bendib, Associate Superintendent of Business
and Operation**

How will SLUSD approach the development of the LCAP?

By beginning with the end in mind: Funding our goals and what we value for students

**Goals and Programs drive funding,
NOT funding drives goals and
programs**

**That means planning
programming based on goals
and then ensuring funding**

As opposed to funding based upon the money we have allocated for programs

Major Shifts Made by the LCFF

Before LCFF

- Revenue limits.
- State categoricals with temporary tiered flex.
- K-3 CSR: Limited funding with unlimited class sizes.
- Accountability and performance separate from funding.

After LCFF

- LCFF base funding differentiated by grade spans.
 - Unduplicated pupil weights, concentration funding.
 - K-3 CSR targeting 24-1.
 - Accountability and performance are linked
 - Local Control Accountability Plans required by July 1, 2014.
-

What stays the same?

- Financial Audits
 - Compliance With Williams
 - School Accountability Report Cards
 - Federal Funding, Planning, and Accountability
-
