## NOTES

This week going forward will be regular dismissal @ 2:10pm. The only early dismissal days will be on Wednesdays.

Just a reminder that next Monday, Sept. 7<sup>th</sup>, there is no school due to the Labor Day holiday.

Our first field trip of the year will be next week Wednesday on Sept. 4<sup>th</sup>. We will be walking to the Manor Library, the closest public library to our school. I will email those who have shown interest in being chaperones. Thank you to those who have already signed and turned in their child's permission form. **Permission forms are due this week!**

## WHAT WE ARE LEARNING

**MATH: Module 1: Foundations for Multiplication:** We will continue to work on division, and its relationship to multiplication. We will also discuss the *commutative property* of multiplication ( $5 \times 2$  gives the same answer as  $2 \times 5$ ).

**ELA/WRITING: Comprehension Skill: Author's Point of View:** We will discuss point of view, and how we can tell what an author thinks about something by looking closely at the words and detail the author uses in the text. We will use the reading: "Desert Meerkats" to examine author's point of view.

Last week we learned how to write a multi-paragraph essay on a certain topic. The kids tried typing it on Google Docs without writing it down in pencil first. This week we will continue to examine paragraphs and how they are structured.

## UPCOMING EVENTS

**NO SCHOOL** on Mon. Sept. 2nd (Labor Day holiday).

**FIELD TRIP TO MANOR LIBRARY** will be on Wed., Sept. 4<sup>th</sup>. Chaperones will be contacted via email this week.

**BACK TO SCHOOL NIGHT** will be on Thurs., Sept. 12<sup>th</sup>. This is also an early dismissal day @ 1:50pm.

**PICTURE DAY** will be Wed., Oct. 2<sup>nd</sup>.

**FIELD TRIP TO COYOTE HILLS** will be on Tues., Oct. 17<sup>th</sup>.
