## NOTES

**This Friday there is NO SCHOOL.** The teachers have an all-day training this day.

Picture Day is this Wednesday. We'll be taking our pictures after morning Recess.

The following week, **Oct. 7-11**, is **Parent Teacher conferences**. I have sent out a Sign Up Genius requesting that you sign up for an available time to meet with me. If you haven't done so, please do so as soon as possible.

Due to Parent Teacher Conferences, the entire week beginning Oct. 7th is early dismissal at 12:50pm.

## WHAT WE ARE LEARNING

**MATH: Module 2: Measuring Units.** This week we review telling and writing time to the nearest minute. We will discuss seconds vs. minutes, and use a number line to plot time.

**ELA/WRITING: Comprehension Skill: *Main Idea & Key Details*:** This week we discuss how landmarks help us understand our country's story as we read "A Natural Beauty" and "A Mountain of History". We will also talk about how the main idea is the most important point that authors make about the story. Finding key details in the story help readers figure out what the main idea is.  
**Vocabulary words:** *carved, clues, grand, landmark, massive, monument, national, traces*  
**Spelling test this Thursday!**

**SCIENCE:** No Science this Friday due to the short week.

## UPCOMING EVENTS

**PICTURE DAY** is this **Wed., Oct. 2<sup>nd</sup>**.

**NO SCHOOL** this **Fri., Oct. 4<sup>th</sup>**.

**SCHOOL BEAUTIFICATION** will be on **Sat., Oct. 5<sup>th</sup>**. Come join us in the morning and help us clean up litter at school.

**PARENT TEACHER CONFERENCES** will be from **Oct. 7-11**. Please look for your time on the Sign Up Genius I emailed. **That week is also early dismissal every day at 12:50pm.**

**FIELD TRIP TO COYOTE HILLS** will be on **Tues., Oct. 17<sup>th</sup>**.
