## **BOARD MEMBER COMMENTS**

- Ms. Perry reminded the Board that due to the lack of support from the federal government, Paraeducators could now be potentially at risk.
- Mr. Cassidy said that following a conversation he recently had with his neighbor regarding Measure A, how stunned he was on the lack of fiscal understanding of our schools and California School finance, emphasizing the District's continued obligation to educate, reach out, and engage in conversation with the community as we move forward with the bond. In an effort to answer his neighbor's questions and concerns, Mr. Cassidy said that he would forward a copy of *The Fiscal Blueprint* to her.
- Mrs. Cutter drew the Board's attention to Union City's appeal of the 911 fee ruling that invalidates the City's two-year emergency communication response fee, stating that the fee set back in 2004 amounted to a special tax and could not be implemented without a citywide vote, noting that such a decision may have far-reaching effects.

## **ADJOURNMENT**

On a motion made by Ms. Perry and seconded by Mr. Richards, the Board adjourned the meeting at 5:39 p.m. by a 5-0 vote. Trustees Davis and Heystek were absent.
