PRESENTATIONS

- * Washington Elementary School is seeking to expand their outdoor garden area by developing a California native garden. The project is funded through a grant from Lowe's, which will be in conjunction with the ASES enrichment program.

Washington fifth graders Tyler King and Michael Vaughan presented their ideas about the importance of a California native garden for their school commenting that, "The garden will help the kids understand plant parts, educate them about native plants, and provide a hands-on experience." They also shared that plaques will be made to identify each plant and there will also be an outdoor seating area for observations and learning opportunities.

Principal Tracey Lantz was also available to answer any questions about the proposed new garden. Ms. Lantz thanked Ali Chesley, the Unit Director for ASES, for being instrumental in planning this very successful project.

Responding to Trustee Cutter's concern regarding the visibility of the garden area from the street, Principal Lantz stated that the growth of the plants would not exceed the height of the railing so that individuals would be visible waist-high.

On a motion made by Trustee Cutter and seconded by Trustee Sullivan, the Board approved the California Native Garden Project at Washington Elementary School by a 7-0 vote, with Tyler King and Michael Vaughan pushing Trustee Cutter and Trustee Mack-Rose's voting buttons, with a "yes" vote for their project.

PRESENTATION

- * Assistant Superintendent of Business Services, Song Chin-Bendib, presented information regarding preparation of the 2010-2011 adopted budget which is to be submitted to the Alameda County Office of Education, no later than June 30, 2010. The 2010-2011 adopted budget must also include fiscal years 2011-2012 and 2012-2013 and must show that the budget is balanced for all three years.

In the budget development process, the District must address the 2011-2012 shortfall of up to \$1.6M for fiscal 2011-2012. Additional potential reductions will be needed for 2012-2013.

Song Chin-Bendib, presented the Board with a comprehensive list of programs and services generated through a community input process. This list identified programs that have already been cut or reduced and programs that have not yet been affected by the cuts. The Board was asked to use this list to identify the additional required reductions. Song Chin-Bendib also reviewed the budget development timeline.

Following the presentation, Board members asked clarifying questions and reviewed the information on the budget reduction worksheet. It was suggested that only the things that the Board has direct control of appear on the worksheet, and items that are restricted, negotiated, linked to grants or mandated not appear on the spread sheet.

At the suggestion of Assistant Superintendent Chin-Bendib, Board Finance Committee Chair Mack-Rose asked that the Board send or email their list of cuts/reductions they would make to reach the additional \$1.6 cuts for 2010-2012 plus an additional \$450,000 for 2012-2013 to her no later than May 14.

PUBLIC COMMENT

- California Schools' Employee Association President Carol Alvarez commented that while the Association agreed to furlough days for the 2010-2011 school year, the Association felt that their input related to using the savings to reinstate CSEA lost positions such as the elementary library Para-educators was not regarded. Ms. Alvarez hoped that the Board would consider shifting positions, rather than creating new positions, for the new 9th grade campus, adding that the CSEA would continue to work collaboratively with the District to mitigate the negative affects on classified employees.

The Board expressed to Ms. Alvarez that their input was appreciated and valued.

On a motion made by Trustee Sullivan and seconded by Trustee Hague, the Board approved the 2010-2011 School Calendar, by a 6-1 vote. Trustee Katz-Lacabe voting no.

Trustee Hague congratulated the Employees and Volunteers of the Year and reminded the members that, as the elementary open houses approach, to coordinate which schools the members will be attending.

- Trustee Almonte reported receipt of a letter from the East Bay Municipal Utility District (EBMUD), dated April 29, 2010, offering to attend a Board meeting and present information regarding California water issues, and EMUD water supplies. Trustee Almonte suggested that if the Board agreed, he would forward the information to the Interim Superintendent.

Trustee Sullivan reiterated here request that the Board receive an update from the administrators and parents of Partnership for Academically Successful Students (PASS) and Parents Equity Program (PEP) Teams on the work that is being done through our parent partnerships. Interim Assistant Superintendent Debbie Wong noted that the Board could expect a presentation at the May 18 Board meeting.

Trustee Sullivan commented that a Facebook page has been created for Charles Kuruc, where you can read the heartwarming comments shared by his students and colleagues.

- Trustee Mack-Rose asked for an update on *Agenda On-Line*. Interim Superintendent Cathey explained that she hoped to begin the process at the end of the school year (late June/early July) and then make the transition at the beginning of the school year in the fall.

Trustee Mack-Rose would like the Board to develop a Resolution in support of legislation shifting the kindergarten cutoff date from December 2 to September 1.

Trustee Mack-Rose thanked the Interim Superintendent, Cabinet and the Board President and Vice-President for developing a meeting agenda tonight

that enabled the Board to move thoroughly through the material in a timely manner.

- Trustee Cutter concurred with Trustee Hague that a schedule for the elementary open houses would be helpful to ensure Board coverage at all the sites.

Trustee Cutter reminded everyone to “Eat Out for Education” tomorrow for the San Leandro Education Foundation (SLED). Trustee Cutter also encouraged the Board to consider hosting a fundraiser “house party” event, whereby they invite their circle of friends to come together and learn about SLED. Trustee Cutter said that she was hosting one on May 23 from 2-4 p.m. and invited anyone interested in attending.

Trustee Cutter commented on the importance of the Ad Hoc Committee to involve the City should the District decide to move forward with a bond in November 2010.

- Trustee Prola attended the “Taste of San Leandro”, where people can enjoy an extraordinary evening of wine tasting and food from local restaurants.

Trustee Prola also attended the San Leandro Sports Foundation meeting stating that following the meeting, a concern was raised by the high school assistant wrestling coach regarding the sharing of the wrestling mats and the potential for health issues. The coach would like to see the mats stored somewhere for exclusive use by our high school students. Trustee Prola asked for consensus to have staff consider returning one of the portables that was taken to the maintenance yard to the high school and using it to store the mats. Assistant Superintendent Song Chin-Bendib, however, explained that it would be extremely costly (approximately \$110,000) to move the portable, which is currently non-functional, back to the high school and bring it up to DSA standards. While consensus was not received for Trustee Prola’s request, the Board did agree to have staff look into this issue. It was the consensus of the Board to have Interim Superintendent Cindy Cathey to look into this issue.

Trustee Prola reported that “Building Future with Women and Children” will be hosting their annual fundraiser this coming Thursday, May 6.

Trustee Prola mentioned that at this juncture, the City may not be funding the traffic guard program for the next fiscal year. Trustee Prola suggested that the Board begin considering alternatives to insure the safety of our students.

Trustee Prola reminded the members to check the website to learn more about the candidates who are running for Superintendent of Public Education.

Trustee Prola reminded the Board of a request made by Trustee Mack-Rose and her to have student pictures projected on a screen before each Board meeting. In addition, Trustee Prola would like to have an educational or inspirational quote placed at the top of each Board agenda as a way of keeping us focused on the importance of what we are doing.

- Trustee Katz-Lacabe reiterated upcoming events, “Eat Out For Education” is tomorrow night and the San Leandro High School Boosters will be at Drakes.
