High School Pathway after Middle School Acceleration

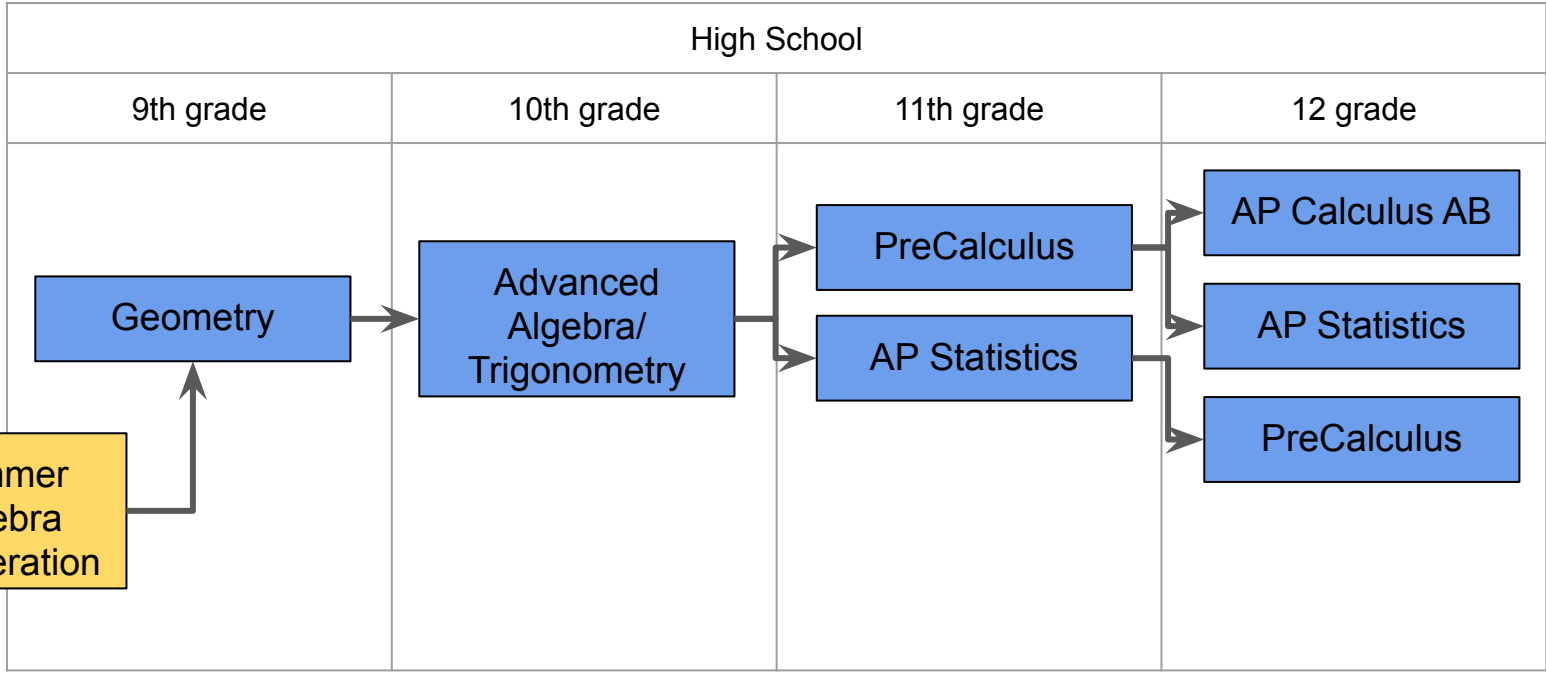

Updated January 28, 2020

Celine Liu, Math Coordinator

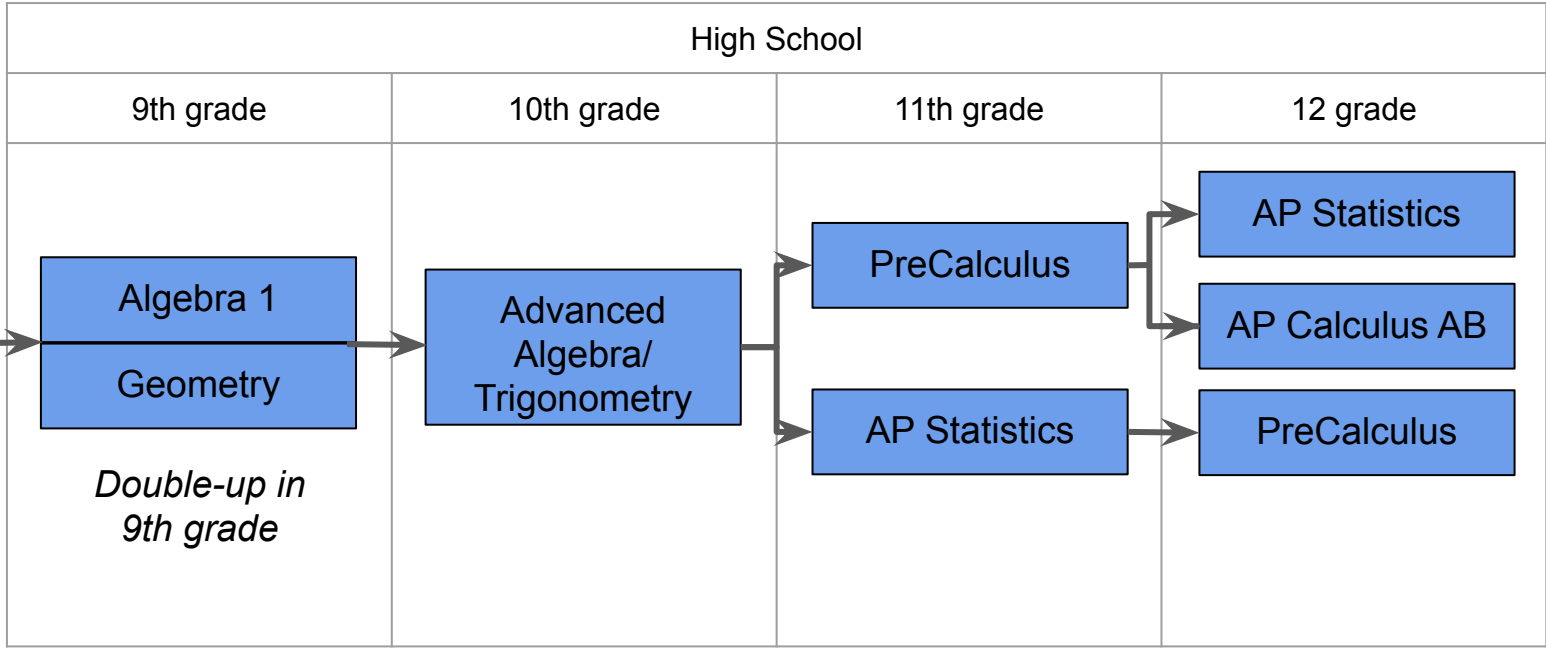

Summer Algebra Acceleration

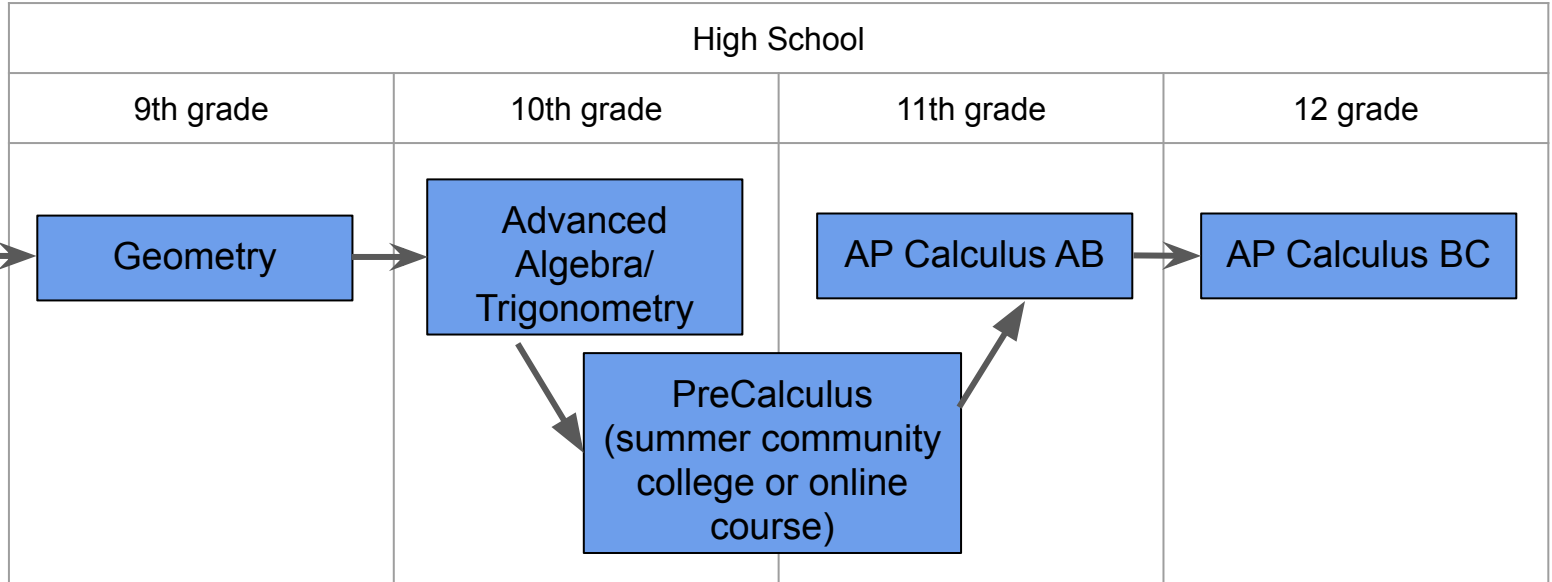

Acceleration in HS (Double up in 9th grade)

Sample Pathway to AP Calculus BC

Students wishing to take AP Calculus BC in their senior year may do so by combining acceleration options from above. For example:

- *MS acceleration + double up in 9th (shown above)*
- *Summer Accelerated Algebra + double up in 9th grade*
