

Welcome Back to the 2019-20 school year! My name is Mrs. Katie Burdett and I am *thrilled* to be your child's teacher this year! This is my 9th year of teaching and my 2nd year in San Leandro Unified School District. I taught for the previous 7 years in Oakland, CA and Tulsa, OK. Growing up I was an avid performer and eventually pursued my passion by getting a degree in theatre arts from Sonoma State University. Some exciting news is that my husband, Brian, and I are expecting our first child together due this September! We are so thankful to become parents and I am confident that our class will have a great school year, even while I am gone from September - December on maternity leave.

When it comes to education, I am a firm believer that everyone can achieve great things if they truly put their mind to it. This looks different for each student that will walk through my door, but I hope to partner with you and your student to reach that level of greatness. I pledge to do my best to meet individual needs and to make our classroom a safe and exciting place to be. I want my third graders to be role models on campus, which means there will be certain behavior and participation expectations for my students that I will need your support with holding each of them accountable to throughout the school year.

If we work together in holding high standards and expectations, I know your student will have a successful school year!

Be sure that your child attends school every day and on time - school starts at 8:10a. Please make medical appointments after school or as late in the day as possible.

Headphones/EarBuds

All students will need to provide one set of personal earbuds for computer use. It is vital that students have working headphones in order to be able to participate with the technology in class. These can be purchased at the Dollar Store, Target, or on Amazon.

I know many of you give your children cell phones so you can communicate with them after school. While I understand this is a necessity for some families, please let your student know that they must be kept off and in their backpack during the school day. If you need to contact your student during the day, call the front office and they will call our classroom.

Finally, *please* trust me. I have your child's best interest in mind when I plan each day. I know I am teaching important skills and will always work to support every student.

Check Hornet Folder *Daily*

Please take a few moments every day to look through your child's school folder. There are important papers that are sent home throughout the week. This folder should stay in your child's backpack all week long and is due every Friday with completed homework.

Healthy Snacks

If possible, send a healthy snack (examples: cheese, yogurt, fruit, carrot sticks) with your child every day. Students get very hungry between breakfast and lunch and this affects their attention. Our morning recess is designated as "snack recess."

Important Dates

Classroom Volunteers

Volunteer packets are online and they require fingerprinting (LIVESCAN), TB test results, and a new volunteer packet to be filled out and submitted to the office. Ways you can help:

- ★ Help with class parties
- ★ Work with small groups or one-on-one
- ★ Prep materials/make copies
- ★ Update bulletin boards
- ★ Chaperone Field Trips
