Principal's News

Dear Roosevelt Families,

Welcome back to school! I hope you had a relaxing summer with your children. We've had a tremendous start to the school year. Students and teachers are getting settled in their classrooms and focused on teaching and learning. Thank you for your support as we start up the school year.

I welcome our new families to Roosevelt Elementary School. You will find that this is an amazing community, filled with helpful families, and lots of ways to get involved with your child's education.

Please make sure your child has breakfast in the morning before school. When students are fed and rested, they perform much better academically. San Leandro Unified offers **FREE** breakfast to all students. Roosevelt school opens at 7:40 for breakfast.

As a reminder, the area in front of Roosevelt School on Dowling Blvd. (between the No Parking signs) is a loading zone only. The San Leandro Police Department will issue tickets to unattended cars. Please do not park and leave your car unattended during morning drop-off time. It prevents other parents from safely dropping their children off. If you would like to walk your child to class, please park across the street, or further down the street, beyond the No Parking signs. I appreciate your help in keeping all Roosevelt students safe.

Sincerely,
Dr. Soraya Sablo Sutton

PTA MEETING

Come join us for our first PTA meeting this Thursday, August 28, 6:30p.m., in the multi-purpose room. Meet new parents, learn about many exciting things happening at Roosevelt, get connected and involved. Childcare, Spanish & Chinese Translation provided. Looking forward to a great new year because "Roosevelt is Awesome"!

Roosevelt Hornet Physical Education Newsletter

Physical education is a standards-based instructional program that is an integral part of the total educational experience for each child. Please make sure your child has the proper attire for his/her physical education class (e.g., tennis shoes, skorts, shorts and pants).

Project Fit America equipment will be used during physical education classes.

Feel free to use the equipment with your family after 3:00pm.

TENNIS SHOES are a mandatory requirement for its use.

Each elementary physical education specialist must teach 2 mandatory activities:

1. **Balance/Tumbling**: This is a 1-month unit taught in January.
2. **Fitness Gram**: All 5th graders are given the California State Fitness Test. It provides information for students to assess and plan personal fitness programs.
All students practice for the fitness gram in their physical education classes.
There are 7 testing areas:
 - i. Mile Run: 7 laps around the blacktop, measures endurance/cardio.
 - ii. Pacer: This test measures aerobic capacity. Students run a 20-meter line cued to music (beeps).
 - iii. Push-ups: 90 degrees with elbows bent, measures muscular strength. Done to a cadence count.
 - iv. Flexibility: Sit-n-Reach and Shoulder Stretch: Sit- n -Reach measures the flexible of the students' lower back and leg muscles. Shoulder stretch measures upper body strength.
 - v. Crunches: Students must slide their hands over a 4" piece of rubber while doing a sit-up to a cadence count.
 - vi. Trunk Lift: Students lay face down on the ground with their chin touching the ground. Students must place the palms of their hands on their thighs. Feet must be on the ground at all times. Students will then raise their chins as high as possible.
 - vii. All students take the Fitness Gram in the 5th, 7th, and 9th grades.
3. Project Fit America: The 2 apparatuses that will be tested are:
 - i. Modified pull-ups
 - ii. Sit-ups
4. Students will be graded based on the California State Physical Education Content Standards.

Does Your Child Crave a Math or Science Challenge?

For 2nd through 5th grade students: These classes are intended to be challenging. If you are unsure whether these classes are appropriate for your child's skill level, please consult your child's teacher before signing up.

TeachBar (tchbr.com) will teach both the math and the science classes. For science this session, they will learn about chemistry and explore the elements, getting involved in designing their own experiments, making potions, mixing chemicals, and playing with dry ice. The 2nd & 3rd grade math classes will use games and projects to teach strategy and problem solving. The 4th & 5th grade math time will be spent learning to program in Python. **Parent volunteers will be needed for the science classes – this helps us keep costs down. Please sign up below. It's fun and science knowledge is not needed.**

This 10-week session will cost \$95 per child for math/programming and \$90 per child for science. If you are able to contribute toward the cost of your child's classes, please include a check for what you can afford. If you are able to contribute more it will help ensure we can continue to include everyone. Checks should be made out to SLED with "MaSC" in the memo field. *All* Roosevelt children are welcome to attend our classes, regardless of their family's ability to donate. Any donation you are able to give is tax deductible and will help us to continue bringing these classes to your children and those of other families.

To sign your child up for the math/programming class, the science class, or both, please fill out the application below and turn it in to the office by the end of school on Tues, Sept. 9.

Classes this session run for **10 weeks**, starting Monday, September 15 and ending Friday, November 21.

Classes meet in room A-4. If you choose to participate, your child would attend one or two classes per week according to this schedule:

Grade 2	Math Mondays 2:10–3:05pm	Science Fridays 2:10–3:05pm
Grade 3	Math Tuesdays 2:10–3:05pm	Science Thursdays 2:10–3:05pm
Grade 4	Math/Programming Mondays 3:10-4:10pm	Science Fridays 3:10-4:10pm
Grade 5	Math/Programming Mondays 3:10-4:10pm	Science Thursdays 3:10-4:10pm

To participate, you must sign and return the attached form to the school office by the end of the school day on Tuesday, September 9. If you turn in the enclosed form to the office, you can assume your child is enrolled.

After class, where will your child go/who will pick up your child? _____

Does your child attend any child care programs? Yes: _____

Please inform them about your child's Math and Science Challenge Program participation and schedule.

What is the Math and Science Challenge (MaSC) Program?

The Math and Science Challenge (MaSC) offers advanced instruction for students who love science or have mastered their grade-level math curriculum and are hungry for more. The program offers advanced math and science after school classes which emphasize creativity and perseverance. The program was founded by and is administered by Roosevelt parents.

Approximately half of the class spaces will be reserved for students referred by their teachers because they are identified as being the most in need of advanced curriculum. The rest of the class spaces are available for open enrollment for students with enthusiasm for math or science.

The MaSC program is a public/private partnership funded entirely by private funds from San Leandro individuals and businesses.

If you are interested in getting involved with the MaSC Program, please contact Jill Rodgers-Quaye at yaateq@sbcglobal.net.

The MaSC program has been made possible through generous donations from:

Programs for September

Sneakers After School Program: August 20th

Our after school program runs from 2:00 until 6pm Monday thru Friday. Staff meet children at Roosevelt elementary playground and the group walks to the center. Once children get to the site we have homework time, snack time, then a scheduled activity. Activities range from sports, arts and crafts, and lower organized games. We would love to expand our program to Washington Elementary and have staff be able to pick up students from there as well. We are open for day camp on some holidays, on these days a separate fee is charged. We offer daily (\$15), weekly (\$60), and monthly (\$220) options. We are also open for planning days with an additional fee of \$20.

Sheffield Village Preschool **Starts September 15th**

A Parent Co-Op Program
On going for over 20 years!

Our preschool is split into 2 age groups:
AM: 9:00-11:00am for 33-44 months \$105/\$125
PM: 12:00-3pm for 45 months to K \$115/\$135

Parents are required to attend school functions and meetings as well as work in the preschool 2 times a month.

Children have a wonderful atmosphere in which they can learn and play with others under supervision of our teachers Marykate and Susana. The program offers the knowledge and skills these children will need to succeed as they enter elementary education.
