Important Dates

June 7 - Field Day
June 9 - Promotion
Day/Last Day of School

Future Dates

**SCHOOL RESUMES-
AUGUST 17TH**

Special Thanks to...

❖ **this week's office worker's**
Monsé Gomez Garcia de Alba
and Edrea Tu
who worked hard and answered phones.

We couldn't have done it without you!

June 7th - Field Day

June 9th - 5th Grade Promotion, 10:00 a.m.

June 9th - Last day of School, 12:20 release

Principal's News

Dear Roosevelt Families,

Open House - We had great attendance at our Open House! Thank you to the Dads' Club for hosting the Pasta Feed and to the 3rd grade teachers and students for the incredible Living History Museum. The final PBL project of the school year will be showcased at the San Leandro History Museum on Thursday, June 2nd. We hope you will join us for this event.

Spring Book Fair Update

We exceeded our sales goal making an incredible \$8505 net! With this fundraiser we were able to raise \$1000 for our PTA, while continuing to provide books & educational materials to our classrooms, with an additional \$3,138 in Scholastic profits, a 48.6% combined profit! We will reward students with a Lunchtime Treat on June 1st.

Fencing Update - 6/1/16

We are close to completion on the fencing project. We appreciate everyone's patience during the construction process. Per Fire Marshall regulations, fencing around the playground was placed inside the play structure instead of outside.

Front gate: We are currently reviewing the possibility of using an alternate front gate design. Once the project is completed, we will explore beautification efforts similar to the iron figures currently at Burrell Field.

Sincerely,
Dr. Sablo Sutton

Estimadas familias de Roosevelt,

Casa Abierta - tuvimos una gran asistencia a nuestra Open House (Casa abierta!) Gracias al Club de los Papás por propocionar la pasta de alimentación y para los profesores y estudiantes del 3er grado por el increíble museo de historia viviente. El proyecto final PBL del año escolar será exhibido en el Museo de Historia de San Leandro el jueves 2 de junio. Esperamos que se unan a nosotros para este evento.

Feria del Libro de Primavera
Hemos superado nuestro objetivo de ventas haciendo un increíble \$ 8,505 marcador! Con esta recaudación de fondos pudimos recaudar \$ 1000 para nuestra PTA, ademas de donar libros y materiales educativos a los salones de clase, con un adicional de \$ 3,138 en beneficios de Scholastic, un beneficio combinado de 48,6%! Vamos a premiar a los estudiantes con un bocadillo el 1 de junio.

Actualización del Cerco - 01/06/16

Estamos cerca de la finalización del proyecto del cerco. Apreciamos la paciencia de todos durante el proceso de construcción. Según los reglamentos de Bomberos, una cerco a Irededor de la zona de juegos se coloca dentro de la estructura de juego en lugar de fuera.

Puerta delantera: Actualmente estamos estudiando la posibilidad de utilizar un diseño de puerta de entrada alternativo.

Una vez completado, vamos a explorar esfuerzos de embellecimiento similares a las figuras de hierro momento en campo Burrell.

Sinceramente,
El Dra. Sablo-Sutton
Directora, Primaria Roosevelt

PLEASE HELP IF YOU CAN ...Roosevelt is in dire need of Noon Supervisors for next school year. We need reliable adults to help us during lunch with our students. Watching them on the playground and in the classrooms on rainy days. We will have 3 lunches next year so it will be for 1 ½ hours a day, 5 days a week. Pay is \$15.00 an hour. If you're interested please contact the front office at 618-4350.

SAN LEANDRO CAMPUSES OPEN TO PUBLIC DURING NON-SCHOOL HOURS

New fencing project makes campuses more accessible and safe

SAN LEANDRO, Calif., May 24, 2016 - New fencing installed around seven schools in San Leandro is positively impacting campus security and providing the community safe access to the campuses' outdoor spaces during non-school hours. Fencing projects are complete at Monroe, Muir, McKinley and Bancroft and will be completed at Roosevelt, Washington and Wilson campuses by the end of June.

The new rod iron fencing, with gates, improves the aesthetics of the campus and provides a safe and welcoming environment for students and the community. The newly installed gates lock during school hours and streamline foot traffic thereby requiring visitors to sign in at school offices. All school sites are open for use by the community from before 8 am and after 6 pm on school days, and open all weekends, holidays, and non-school days.

"Our campuses are valuable assets that belong to the entire community. We want our campuses to serve as gathering places, whether it's basketball games or unstructured playground time - the community should feel at home at all of our schools," said

Superintendent Mike McLaughlin

The fencing projects were paid for out of Measure B funds.

About the San Leandro Unified School District

The San Leandro Unified School District operates a comprehensive TK-12 program and an adult school at 14 campuses throughout San Leandro. The district educates its students by utilizing state-of-the-art technologies and innovative teaching strategies to help students achieve academic excellence and become collaborative and competitive in a global society. Great News!

There are more

YEARBOOKS

for sale!

While supplies last!

Go to the office for your order form now!
Yearbooks will be distributed Friday June 3rd!

Again, we have a limited supply of yearbooks for sale if
you have not already ordered your copy.

Cost is \$20.00 payable to Roosevelt PTA or
Cash is accepted as well.

1st United for Schools

As a community-based, not-for-profit credit union, 1st United is dedicated to supporting our local schools with our unique fundraising program. Here's how it works:

Earn Money for Your School

1. Open a new, qualifying 1st United account
2. We will donate \$25 to a participating school of your choice
3. PLUS, we will deposit \$25 into a savings account for you, too.

Dream it. Build it. Wreck it. Repeat.

Kids are already naturally gifted creators. Then they get added inspiration from our specially trained instructors. They dive into our massive collections of LEGO®. And while they build elaborate objects, structures and vehicles, they explore fundamental principles of engineering and physics. They also learn to collaborate and create without fear of mistakes. The experience is joyful, the impact long-lasting.
