Mar. 26th - TK & Kindergarten Registration, 2-4 p.m.

Principal's News

Hello Roosevelt Community,

I've had an amazing first week as your Interim Principal. It's been a pleasure meeting so many Roosevelt families and children. I appreciate those of you who have taken the time to introduce yourselves and to share a bit about your family. I am working my way toward learning each and every one of your names very soon.

Here's a little bit about my background: Over the past few years I have served as Vice Principal at two San Leandro Elementary Schools (Wilson and Jefferson) and as a District Instructional Coach. I bring with me a passion to ensure all students have outstanding learning opportunities and that all teachers have the support needed to implement effective classroom instruction.

I've had the opportunity to work with many of the Roosevelt teachers as a coach in their classrooms, a PLC District Site Lead, Professional Development facilitator and teacher colleague. I've seen first hand what an incredibly dedicated, creative, and hard-working group of educators the Roosevelt teachers are. It will be an honor to work with them this year.

If we haven't met yet, please stop by and say hello when you get a chance.

Respectfully,
Dr. Soraya Sablo-Sutton
Interim Principal

Hola Comunidad de Roosevelt,

Tuve una maravillosa primera semana como su Directora Interina. Ha sido un placer conocer a muchas de las familias de Roosevelt y a sus hijos. Les agradezco a muchos de ustedes que se hayan tomado el tiempo de presentarse conmigo y compartir un poco de su familia. Estoy trabajando en aprenderme cada uno de sus nombres muy pronto.

A continuación les hablare un poco acerca de mi experiencia laboral. En los anteriores dos años he servido como Subdirectora en dos escuelas primarias de San Leandro (Wilson y Jefferson) y como Coach de Capacitación del Distrito. Yo traigo conmigo mi pasión para asegurar que todos los estudiantes tengan oportunidades excepcionales de aprendizaje y que los maestros tengan el apoyo necesario para implementar una enseñanza efectiva en el salón de clases.

He tenido la oportunidad de trabajar con la mayoría de los maestros de Roosevelt como Instructora en sus salones de clase, como Líder de PLC del Distrito, Facilitadora de Desarrollo Profesional y colega docente. He visto de primera mano el grupo de maestros tan increíbles, dedicados, creativos y arduos trabajadores que tiene Roosevelt. Será un honor trabajar con ellos este año. Si no nos hemos presentado todavía, por favor acérquese para saludarme cuando tenga tiempo.

Respetuosamente,
Dr. Soraya Sablo-Sutton
Directora Interina

Special Thanks to...

- ❖ this week's office worker's [Laurel Sherwood](#) and [Nathaniel Haut](#) who worked hard and answered phones.

We couldn't have done it without you!

Calling all Hornets!!!

Please come out and audition for the talent show next Wednesday 3/19 at 2:00 PM. The permission slip is attached to the newsletter. The Variety Show is Friday, March 28th at 7:00 PM.

We know Roosevelt has got talent!

TK & Kindergarten Registration

If your child will be 5 by September 2nd you will be eligible for Kindergarten. If your child is 4 but will be turning 5 between September 2 and December 2 your child is eligible for the TK program. You may pick up packets for registration starting February 24th. Registration for both TK & K will be held on Wednesday, March 26th. You must have all registration documents (ORIGINALS) in order to register. The required 1st grade physical for Kindergarten must be dated after March 1, 2014. For parents wanting their children to attend Roosevelt you MUST register at their HOME school and apply for an Intra-district Permit. If you have any question please contact the front office at 618-4350.

Enrollment for NEW incoming students Grades 1-5 will begin on May 1st.

Roosevelt School Closet

We (the office) are in need of gently used socks & pants of all sizes. Roosevelt's closet provides clothes to students who get wet on rainy days or needs a change of clothes for whatever reason. We appreciate all that can be donated. Thank you!

We need your help!

We need your help in keeping our kids and campus safe at lunch time! We're looking for Noon Supervisors from 11:30-12:45 every day. You can volunteer or earn a little pocket change. If you or someone you know is willing to help us out please come to our front office to apply. Thank you!!!

Parent Workshop
For Roosevelt Elementary School
parents, caregivers and staff
Thursday, March 13, 2014
from 6:30 to 8:30PM
Roosevelt Multiuse Room

People Safety skills help people be safe with people at home, at school, online, out in the world... everywhere. They also help strengthen important relationships. Learn ways to help young people learn and use age-appropriate People Safety skills on an everyday basis to have safer, more positive experiences with people, including strangers, siblings, peers, and other people they know.

This workshop is open to all Roosevelt Elementary parents, grandparents and staff. During the workshop, we'll practice how to help kids:

- **Be and act aware and confident**
- **Check with adults if anything seems unsafe**
- **Move away from possible problems**
- **Follow Stranger Safety rules**
- **Stay safe from hurtful words**
- **Use voice as a safety tool**
- **Set clear boundaries**
- **Say “No” or “Stop” clearly and respectfully**
- **Deal with other kids poking, pushing, grabbing, etc.**
- **Use safety plans if lost in a store, park, or library**
- **Get help from busy adults - and persist!**

This tailored workshop is a service of

the nonprofit leader in “People Safety”
skills education for all ages & abilities.

To learn more about this workshop or to sign up, please contact Suzette Chaumette: 510-735-6453 or chaume0812@gmail.com. Child care will be provided. This workshop is for adults only.

Please contact Kidpower at (800) 467-6997 ext. 1# with any questions about the class content, our public workshops or materials, or to talk about arranging a workshop for a group of any age.

PREORDER ESCRIP GIFT CARDS NOW!

It's time to get an early start on spring shopping! Teacher Appreciation Week is just around the corner (March 24th-28th). Easter is April 20th. Of course Mother's Day will be here before we know it, as well as end of school! Gift cards will be available for pre-sale through March 19th in the front office. (Please use the order form attached.) Don't forget teachers, co-workers, friends and family. Now is also a good time to stock up on quantities of gift cards for yourself....If you shop at Kohl's, Macy's, Safeway or Target or are a regular at Starbucks or Chipotle, buy a gift card! Roosevelt will get a percentage back from each gift card purchased!

¡Gratis y divertido! Campamentos de Ciencias y Matemáticas Pop Up para los Grados 1° a 9°

El Programa de Matemáticas y Ciencias, *Challenge Program (MaSC)* y la Escuela Primaria Roosevelt le ofrecen...

Un campamento *Quantum Camp, Pop Up*, antes del verano para TODOS los niños en los grados, 1°-9°

¿Qué es?: Campamento gratuito, *Quantum Camp Pop Up Program!*

¿Cuándo?: Sábado, 29 de marzo – Inscripción a las 9:45am, clases 10am – mediodía

¿Dónde?: Roosevelt Elementary School, Multipurpose Room, 951 Dowling Blvd, San Leandro

Por el sexto año, QuantumCamp está redefiniendo las experiencias prácticas del campamento de verano para los estudiantes, y nos están trayendo una muestra de su creatividad a los campamentos de verano de forma gratuita.

“Ofrecemos programas fascinantes en ciencias, matemáticas, historia, y artes de lenguaje, con cursos como Física Cuántica y Elementos Químicos para los niños entrando a los grados 1-9. En la mejor tradición de QuantumCamp, nos gustaría mostrarles lo que creemos en vez de decirles.”

Nivel 1 (grados 1-2):

Matemáticas: Tangramas

Ciencias: Dinosaurios

Nivel 2 (grados 3-4):

Matemáticas: Probabilidad

Ciencias: Ciencias de la Comida

Nivel 3 (grados 5-6):

Matemáticas: Algoritmos y el Juego de la Vida

Ciencias: Ondas y Sonido.

Nivel 4 (grados 7-9):

Matemáticas: El Cálculo de Movimiento

Ciencias: Tabla Periódica

No hay costo para inscribirse, pero inscríbese pronto pues las clases son limitadas para sólo 12 estudiantes por cada nivel.

Favor de utilizar el siguiente vínculo y hacer clic en “Register” y luego elija la escuela Roosevelt Elementary School y el nivel de su niño del pop-up:

<http://www.quantumcamp.com/popup>.

El Programa de Reto de Matemáticas y Ciencias (MaSC) ofrece clases de matemáticas y ciencias después del horario escolar regular. MaSC fue fundado y es dirigido por padres voluntarios. Las contribuciones de OSIssoft, Paradiso, Galvan & Associates, y otros ayudan a financiar becas para asegurar que estas clases estén disponibles para niños cuyas familias no puedan pagarlas. Actualmente las clases se imparten en las escuelas primarias Roosevelt y Washington.

Free and fun! Science and Math Pop Up Camps for Grades 1 to 9

The Math and Science Challenge Program (MaSC) and Roosevelt Elementary School bring you...

A Free Quantum Camp pre-summer Pop Up – ALL KIDS grade 1-9 are welcome

What: Free Quantum Camp Pop Up Program!

When: Saturday March 29 – registration at 9:45am, classes 10am – noon

Where: Roosevelt Elementary School, Multipurpose Room, 951 Dowling Blvd, San Leandro

For the 6th year, QuantumCamp is redefining hands-on summer camp experiences for students, and they are bringing a taste of their creative take on summer camps to us for free!

“We offer fascinating programs in science, mathematics, history, and language arts, with courses like Quantum Physics and Chemical Elements for kids entering grades 1-9. In the finest tradition of QuantumCamp, we'd like to show you what we believe rather than tell you.”

Level 1 (grades 1-2):

Math: Tangrams

Science: Dinosaurs

Level 2 (grades 3-4):

Math: Probability

Science: Food Science

Level 3 (grades 5-6):

Math: Algorithms and the Game of Life

Science: Waves & Sound.

Level 4 (grades 7-9):

Math: The Calculus of Motion

Science: Periodic Table

Registration is free of charge, but register early as the classes are limited to 12 students per level.

Please use the following link and click on “Register” then pick Roosevelt Elementary School and your child’s level from the pop-up:

<http://www.quantumcamp.com/popup>.

The Math and Science Challenge Program (MaSC) provides after school math and science classes. MaSC was founded and is run by parent volunteers. Contributions from OSIssoft, Paradiso, Galvan & Associates, and others help fund scholarships to ensure that these classes are available to children whose families otherwise cannot afford them. Currently classes are held at the Roosevelt and Washington Elementary Schools.
