Dear Parents,

With the end of the school year approaching, we know that you are making plans for your child's summer activities. We hope that you will encourage your child to read over the summer months. Reading over the summer actually helps prevent the "summer slide", which refers to the months of summer vacation when many kids lose some of the valuable skills learned during the school year.

The San Leandro Public Library's Summer Reading Challenge offers a fun way to encourage your child to keep reading and learning over summer vacation. It runs from June 3 to August 4, and it's free for all ages. See below for information on how to participate.

Queridos Padres,

Se acerca fin del año y ya sabemos que hacen planes para las actividades de sus hijos durante el verano. Esperamos que animaran a sus hijos a leer durante los meses del verano. Leyendo durante el verano ayuda a prevenir el "deslizamiento vernal," que refiere a los meses de vacación en el verano cuando muchos niños y niñas pierden algunas habilidades valorables aprendidas durante el año escolar.

El Reta de Lectura de verano en la Biblioteca Pública de San Leandro ofrece una manera divertido para animar el estímulo para continuar leyendo y aprendiendo durante las vacaciones. Empieza el 3 de junio hasta el 4 de agosto, es completamente gratis para todas edades. Más información sobre como participar sique abajo.
