NOON SUPERVISORS

We're in desperate need of Noon Supervisors! It's so important that we have adults on our yard during lunch (11:40 – 12:45). If you would like to earn a few dollars and come watch our kids during lunch, please let us know in the front office.

Girl Scout Troop 31310 Coat Drive

Our Girl Scout Troop is currently accepting new or gently used warm coats for the OneWarmCoat.org.

There is a donation box outside of the office and in some 1st and 2nd grade classrooms from now until Nov. 20th. Please consider donating to those in need.

LICE OUTBREAK

Parents/Guardian: If your student gets lice or any other contagious condition, PLEASE contact the front office. All reports will remain confidential. The old stereo types that your child is unclean are not true. In actuality Lice grab hold of clean hair follicles much more easier than dirty/oily hair. In hiding the fact your student has lice adds to the schools outbreak. If your student has an itchy scalp and you are unsure if he/she has been exposed to lice you can bring your student to the front office for a check. If your student gets lice please make sure your student is treated before they return to school.

For non-pesticide hair remedy please see the attached flyer.

Thank you,
Office Staff

PREVENTATIVE FOR LICE

As some of you know (letters went home) a few of our grade levels have been infected with lice. When there is an outbreak *please* follow the guidelines listed on the letter before your child returns to school. It is sometimes very difficult to get the outbreak under control but if everyone takes precautions and is diligent in checking your child for lice we can get rid of our outbreak quickly. Unfortunately no ethnicity is exempt from the lice as once believed. Everyone can get it! It knows no boundaries. It does not matter if the hair is clean or dirty. They actually prefer clean hair.

Children with long hair should braid their hair and/or put their hair up. One of our parents has given us a pesticide free hair remedy that works! We want to share with you: The recipe...

1 Tbs. Olive Oil

1 tsp. Rosemary Oil

1 tsp. Eucalyptus Oil

1 tsp. Penny Royal Oil

Saturate hair, put on a shower cap overnight and shampoo

You can find these oils at the health food store. (Castro Village/Pelton Ctr.)

If you are unsure of what lice looks like and would like your child checked for lice please let us know. We also have 2 professional places you can take your child if infected. One is Nit Pixies in Oakland and they can be reached at 530-HAIR (4247) or www.nitpixies.com and Lice Control in Berkeley, 727-1280.

Tea tree Oil Shampoo and Coconut shampoo are also good to continue as a preventative.

IF YOUR CHILD HAS LICE PLEASE, PLEASE NOTIFY THE OFFICE. THIS CALL WILL BE KEPT CONFIDENTIAL!

Paper Drive!

Please donate reams of copy paper to your classroom teacher.

Roosevelt families, we need your help! In an attempt to continually access the latest, common core aligned curricular resources, teachers are printing many materials from online websites. This has resulted in an increased need for copy paper. To help meet this need, we will be hosting a PAPER DRIVE in the month of October. Please help out by having your child bring reams of copy paper to the office or to their child's teacher.

Thank you in advance for your generosity!
