August 2013

Dear Parent/Guardian,

We are writing to you to let you know that **your student may be assigned to one or more extra periods of support classes this year to help improve his/her English Language Arts (Reading/Writing) and/or math skills.** This placement decision is being made after careful consideration of recent grades, standardized test scores and the recommendation of the teachers. The goal of these support classes is to accelerate achievement so that next year these students can make much more than one year's growth in ELA/Math and be successful in High School and beyond. In a six period day, enrollment in each necessary extra support class means that the **student will have one less period available in his/her schedule for electives and/or other classes.**

If you would like to discuss this, please contact the counselors at your student's 2013-14 school.

Here are schools' phone numbers:

- Bancroft Middle School 618-4380
- Muir Middle School 618-4400
- San Leandro High School Counselor 618-4600 Ext 2164

Together we can make this year the best year ever for your student!

Sincerely,

Linda Granger
SLHS Principal

Belen Magers
Muir Principal

Jonathan Ferrer
Bancroft Principal
