\*Students can earn a passing score on the AP Exam or SAT II for a language other than English in lieu of taking a world language class. This will also meet the A-G requirement for language other than English. Students who pursue this option will still need to meet the 220 credit minimum for graduation. Students who have IEPs should check in with their Case Manager regarding this requirement.

\*\*10th-12th grade students may apply for PE Waiver for qualifying school related physical activity. See your counselor for more information.

\*\*\*All 9th graders take a semester long **Health and Safety** course. Students entering San Leandro High School after 9th grade who have not yet met the State health standards and AB 329 requirements meet this requirement by taking the 5-unit health class before school or in summer school.
