Principal's Message:

<u>Conferences build the foundation for success!</u> Parent teacher conferences do so much to support the learning of students. The more teachers know about your child, the better they can weave together the instruction program that inspires and reaches them each day. If you are unable to attend your parent conference, please take time to check in with your child's teacher. **Special Conference Week Early Release Schedule** October 16 – October 23 Kindergarten

EARTHQUAKE Readiness

On October 19th, at 10:19 AM. Madison will join schools across the state in the Great Shakeout. Earthquakes are a reality in California and it is only a matter of time before our area experiences another major quake. Our school has prepared and we train students to duck cover and hold until directed to safely evacuate. Home safety is equally important. Create a home safety plan.
