

### Madison Students and Families Raise Money for Leukemia

Every year James Madison students spend two weeks gathering Pennies for Patients. This year we surpassed our goal by raising \$2,435.28 for the Leukemia and Lymphoma Society. Over the past 6 years our school has generated over \$10,000 for research and support. Mr. Baird's Kindergarten class was the top class raising \$275. Great job Mustangs!

### **Please welcome our newest staff member, Anh Troung!**

Anh is fluent in Mandarin, Vietnamese and English and she will be working with students, teachers, and parents by assisting in the implementation of classroom programs and instruction. We are very excited to have her on board.

**DAYLIGHT SAVINGS TIME changes this weekend.  
Don't forget to set your clocks ahead to avoid being late to school.**
