

BANCROFT MIDDLE SCHOOL
GENERIC PHYSICAL EXAMINATION FORM
FOR DOCTORS OFFICE IF REQUESTED

Revised 12/21/16

Student Name _____ Gr _____

An annual physical examination certifying that the student is physically fit to participate in athletics is required for each school year. Ideally, the physical should have been given since May 1 or later of the preceding school year before a student may try out, practice, or participate in athletic practices or competition. This date ensures that it will not expire during the current school year. If the physical was performed before June, please be aware that physicals expire after 13 months and must be valid through the sport seasons end.

If the student has had a physical for this school year, have your physician fill in the following:

I hereby certify that _____
Student's Name

was examined by me (the doctor) and found physically fit to engage in sports.
