
	<p>AP World History</p> <p style="text-align: center;"><b>BINDER REQUIREMENTS GUIDE</b></p>	<p>Ms. Avar</p> <p style="text-align: right;">File: AVAR Docs</p> 
--	---	--

### Description

All students must keep a 3-ring binder for this course that will house and organize all coursework. **Do not put coursework from any other subjects in this binder!** This binder will be a valuable study tool throughout the year, especially for the College Board AP Exam. Binders must be kept up-to-date & brought to class each day.

### Materials Needed

- 2" Binder – Hard cover, 3-ring metal (plastic tends to break easily). Smaller than 2" will be too small!
- Sticky Notes – Various sizes for class, but you can use small squares to create sub-tabs for your binder
- Tab Dividers: **15** sturdy **BLANK tabs** AND small sticky note squares to make unit sub-tabs.

Organization - **3 Major Sections. Label** 3 study tabs exactly as written below:

- \* **Unit Content** \* **Geography** \* **Resources**

Filing System Use the following sub-tabs to organize each section, respectively, and in this order:

- **Unit Content** (Keep current unit in binder. **STORE/SAVE all** “old” units somewhere super safe!)  
Create **6 sturdy sub-tabs** and organize directly *behind* the “Unit Content” Tab. **Label exactly as below:**  
(*small sticky-note tabs work well too – I suggest you make/# some during each of the 9 units this year*)
  - **Chapter Outlines**
    - Include your textbook reading outlines, interactive notes & vocab for unit chapters
  - **Lectures / Videos**
    - Include lecture & video notes provided by online resources and/or viewed in class
  - **Charts**
  - **Maps**
  - **Coursework**
    - Include all coursework for the unit that doesn’t fit into the above unit categories
  - **Review**
    - Include unit review material, including project pages and “big picture” summaries
- **Resources** (This will include quick reference materials used in the class all year).  
Create **6 sturdy sub-tabs** and organize directly *behind* “Resources” Tab. **Label exactly as below:**
  - **Avar Docs**
    - Ex: Compass Partners, syllabus, analyzing artifacts, Binder Reqs, & Avar class resources
  - **APWH** (*short for AP World History*)
    - Ex: Course/AP Exam Overview, SPICE Themes, Timelines & “big picture” resources
  - **Reading / Notes**
    - Skill-building resources to improve reading & note-taking (ie. Cornell Notes, Costa’s ?s)
  - **DBQ**
    - Skill-building resources to navigate AP Document-Based Questions
  - **LEQ**
    - Skill-building resources to navigate AP Long Essays (Causation, CCOT, Comparison)
  - **SAQ**
    - Skill-building resources to navigate AP Short Answer Questions
- **Geography** (Includes global maps) – No sub-tabs required
