

Important Notes

Report cards went out Friday, November 30th. Please make sure your student handed one to you.

Don't forget to make a donation towards our field trip!

Please sign-up to bring an item for our Winter Celebration!

Learning Goals This Month

Mathematics

- Represent and solve problems involving multiplication and division.
- Understand properties of multiplication and the relationship between multiplication and division.
- Multiply and divide within 100.
- Solve problems involving the four operations, and identify and explain patterns in arithmetic.
- Use place value understanding and properties of operations to perform multi-digit arithmetic.
- Solve problems involving measurement and estimation of intervals of time, liquid volumes, and masses of objects.

Weekly English Language Arts Focus Questions

- Why do people immigrate to new places?
- How do people make government work?

Please spend time discussing these focus questions with your child!
