Notes From The Teacher

Welcome back!

I hope you had a great holiday and Happy New Year! I am excited to be back with the students. We will continue to work on math, reading, writing, and science.

We do have a field trip this month, please return permission slips, if you have not done so already. We will be taking BART to San Francisco.

3rd GRADE FACT FLUENCY

Our students are facing a real challenge with solving multiplication and division facts quickly and accurately. Although we are practicing at school, it is important for them to practice at home as well. Here are some ideas for practicing these important facts at home with your child:

- Use FLASH CARDS!
- Skip count aloud by numbers 1 through 10.
- Play multiplication war with cards.
- Sing along to multiplication/division songs on YouTube (there are literally hundreds of them online)!

MINIMUM DAYS THIS MONTH

Please note that students grade first through fifth will be dismissed at 1:50 on January 22, 23, 24, and 25.

However, our class will not return from our January 23rd field trip until 2:00.
