## Notes From The Teacher

Hello Families, welcome to November! Please go over the important dates, as you can see there are lots of events going on (along with days off!).

We have started our Kids for the Bay program. Students are learning about the effects of pollution on our watershed.

We are in full rotations, students are receiving lessons on Earth and physical science, and Social Studies (local history).

There is a walking field trip on **Tuesday, November 6th** around the neighborhood that is tied to our Kids for the Bay lessons in the afternoon, parents are welcome, no drivers are needed.

We are collecting a donation of \$3 for our upcoming field trip to the San Jose Tech Museum. Please have it in by **November 5th**. The field trip is scheduled for Friday, December 7th. If you can drive and chaperone, please let me know as soon as possible.
