

## **Important Notes**

Having a healthy snack and/or meal is important at school. Please be mindful of what your child brings to eat. Please do not pack anything with nuts.

Don't forget to make a donation towards our field trip!

## **Learning Goals This Month**

### **Mathematics**

- Represent and solve problems involving multiplication and division.
- Understand properties of multiplication and the relationship between multiplication and division.
- Multiply and divide within 100.
- Solve problems involving the four operations, and identify and explain patterns in arithmetic.
- Use place value understanding and properties of operations to perform multi-digit arithmetic.
- Solve problems involving measurement and estimation of intervals of time, liquid volumes, and masses of objects.

### **Weekly English Language Arts Focus Questions**

- What does it take to be a good friend?
- What does it take to solve a problem?
- Why is working together a good way to solve a problem?
- Why do people immigrate to new places?
- How do people make government work?

Please spend time discussing these focus questions with your child!

## **Donations We Need**

We really need snacks for recess! (Cheez-its, Goldfish, etc.)
