## Notes From The Teacher

Welcome to third grade! The students are off to a great start. Thank you to all the families who have contributed supplies, and snacks, so far! We really appreciate the help!

Please note that we are now back to our regular dismissal schedule. Our class will be released at 2:10, except on Wednesdays, which are shorter days with dismissal at 1:50.

Mustang Intervention Academy will also begin on Tuesday, September 4th. Only students who need additional support in specific, targeted reading and/or math skills will stay from 2:10-3:00 on Mondays, Tuesdays, Thursdays, and/or Fridays. You should have received notification about Mustang Academy. Based on your students' performance, they may exit or start Mustang Academy throughout the year.

Homework has started this week. Students are required to complete the packet, and turn it in at the end of the week. Homework is not optional. Please sign the packet, acknowledging that you have reviewed it with your student.

Third graders will also be required to read (or be read to) each and every night. Please know that reading with your child is the single most important thing you can do to support your child.
