

SEPT.  
2018

**Mrs. Delos Reyes' 3rd Grade Class, James Madison Elementary**

## ***Important Notes***

Please be sure to mark your calendar now for the evening of Thursday, September 13th so that you will be able to attend Back to School Night. I will be covering a great deal of information including schedules, curriculum, expectations, and ways to support your child in the 3rd grade.

## ***Learning Goals This Month***

### **Mathematics**

- Represent and solve problems involving multiplication and division.
- Understand properties of multiplication and the relationship between multiplication and division.
- Multiply and divide within 100.
- Solve problems involving the four operations, and identify and explain patterns in arithmetic.
- Use place value understanding and properties of operations to perform multi-digit arithmetic.
- Solve problems involving measurement and estimation of intervals of time, liquid volumes, and masses of objects.

### **Weekly English Language Arts Focus Questions**

- What can stories teach you?
- What can traditions teach you about cultures?
- How do people from different cultures contribute to a community?
- How can problem solving lead to new ideas?
- How do landmarks help us understand our country's story?

Please  
spend time  
discussing  
these focus  
questions with  
your child!

## ***Donations We Need***

We really need snacks for recess! Many of our students depend upon them. Dry bulk items (Cheez its, pretzels, Goldfish, crackers, etc.) are best.
