Principal's Message

Parent Appreciation! We have just celebrated a great week of certificated and classified staff appreciation. Thank you to all the parents and our PTO for honoring the work we do together for our students. Well now it is time to celebrate the parents, guardians and families that help make James Madison an award winning place for students to be successful. Thank you to the many field trip chaperones, endless donations, and the genuine attention to support your child and our school success! Join the PTO!
