NEWS!

WEEK OF:
October
7th-11th

This Week:

Even though our days were short, we had a very busy week in Room 22. Students discussed the short o sound in language arts. We read a new tall tale called Dona Flor and discussed the exaggerations in the story. Students took their first math test and did a great job. We began discussing related addition and subtraction facts.

Next Week:

Students will wrap up their tall tale learning as we invent our own exaggerations. They will work on r blends and s blends (snap, drag) in language arts. We will continue to examine subtraction in math. We will also begin discussing Dia de los Muertos, Day of the Dead, learning about its' significance and the important elements of the tradition.
