# NEWS!

WEEK OF:  
November  
11th-15th

## This week:

This week, students discussed ending word blends in language arts and read about animal habitats. We continued learning about toys from the different decades and how they have changed. In math, we are focused on making a ten to add ( $9 + 7 = 10 + 5 = 15$ ). We had a great time on our library field trips and wrote thank you letters to our librarian, Miss Kathleen.

## Next Week:

Students will learn about turkeys during our Turkey Week! The class will make and exchange small "Friendsgiving" treats. In math, students are practicing different strategies for solving bigger addition problems. We will finish our study of toys from long ago and today by creating a toy of the future and writing a persuasive letter about why their toy should be made.

## Important Notes:

\*\*The Mustang Academy group will be changing. Letters will go home next week and the new group will begin December 2nd.

\*\*After reviewing students' latest assessments, I will be making adjustments to Kids A-Z/ Raz Kids reading levels over Thanksgiving break.

Our classroom is looking for donations of individually wrapped snacks to put in our friendsgiving bags.

Any donations are greatly appreciated.

Have a lovely weekend.

Sincerely,

Mrs. Sarkany

## Upcoming Dates:

Now through 12/17-  
Holiday Food and Toy Drive

Friday, 11/22- Spirit Day:  
PJ and Stuffed Animal Day
