NEWS!

WEEK OF:
September
9th-13th

This week in Room 22:

The students did a great job as they worked in language arts centers for the first time this week. In math, the class worked on solving addition story problems and solving for an unknown part (ex. $6 + _ = 7$). In Social Studies, students discussed community helpers and began their James Madison Community Poster Project in small groups. We worked on moving our small moment writing from rough to final draft, too.

Next Week:

Students will continue working on their community poster project in Social Studies. We will focus on our first essential question in language arts while discussing the short a sound. In math, students will continue to practice solving and illustrating addition problems. In Writers' Workshop, we will write about small moments in school.

Reminders:

- * Regular homework will begin 9/16. Students will be carrying their Spelling Notebook in their red folder.
- * Please remind your child to bring back their red folder to school. Folders will now be going home every day.
- * If you were unable to attend Back to School Night, please check your email to set up a time slot for October Conferences. Conference times are first come, first serve.

It was so nice to see
all of you last night!
Have a great
weekend!

Sincerely,
Mrs. Sarkany
