# NEWS!

WEEK OF:  
September  
16th-20th

## This Week:

This week, we discussed our first essential question in reading: What do you do at your school? We read stories and practiced our short a sound. In math, we continued to practice finding the missing part of an addition problem. In Social Studies, we wrote our responsibilities as good citizens and made a responsibility quilt. Check out our responsibility quilt on ClassDojo!

## Next Week:

Students will learn all about apples and Johnny Appleseed. We will enjoy many activities to celebrate Johnny Appleseed Day on 9/26. In math, students will continue to try different strategies to solve addition problems. Students will work on the short i sound, too.

## Important Notes:

- \* Conference Reminders are being sent home today. If you have not scheduled your conference, please email me to schedule a time.
- \* The PTO is looking for volunteers to help with different parts of the Fun Run. Please contact them if you are able to help. Thank you!

Thank you so much  
for the classroom  
book donations!  
Have a wonderful  
weekend!

Warmly,
