# NEWS!

WEEK OF:  
September  
23rd-27th

## This Week:

We learned so much about apples this week! The class explored informational text about apples & learned about different text features, such as the glossary and captions. We began our tall tale learning by reading about John Chapman, also known as Johnny Appleseed. We continued to work on equivalent expressions ( $4 + 2 = 1 + 5$ ) in math.

## Next Week:

Students will discuss L blends and what makes a pet special during our language arts lessons. In math, we are focused on different addition strategies and will be discussing doubles facts (ex.  $5 + 5$ ). We will continue our exploration of tall tales in social studies by reading about John Henry.

## Important Notes:

- \* Conference Reminders were sent home last week. If you have not scheduled your conference, please email me to schedule a time.
- \* There are several upcoming adjustments to our schedule:
  - 1) No school on 10/4
  - 2) 12:50pm dismissal 10/7-10/11 for conferences.

Have a wonderful weekend!

Sincerely,  
Mrs. Sarkany  
Room 22
