NEWS!

WEEK OF:
September
2nd- 6th

This week in Room 22:

As we began September, students discussed the elements of stories we are reading. We worked on the different types of punctuation. In math, students practiced breaking numbers into two different parts. We began discussing community & citizenship in Social Studies. Students worked on writing about small moments in Writers' Workshop.

Next Week:

Students will continue discussing community and focus on our James Madison community during Social Studies. We will continue working on our sight words and discussing story elements during Language Arts. We will begin practicing counting on in math (ex. to solve $6 + 2$, I can start at 6 and count 2 more). In Writers' Workshop, we will continue to focus on small moment writing.

Reminders:

- * We will go over our regular homework at Back to School Night. Students will receive a new homework packet on 9/9. Regular homework will begin 9/16.
- * Please remind your child to bring back their red folder to school. In our class, folders usually only go home on the first and last day of the week. Homework can be taken out and kept at home until it is due.

Have a great weekend!

Sincerely,

Mrs. Sarkany
